### You'll Be In My Heart

Vocals: **Phil Collins** and **Glenn Close**

Music: **Phil Collins**

Lyrics: **Phil Collins**

---

Come stop your crying  
It will be all right  
Just take my hand  
Hold it tight

I will protect you  
from all around you  
I will be here  
Don't you cry

For one so small,  
you seem so strong  
My arms will hold you,  
keep you safe and warm  
This bond between us  
can't be broken  
I will be here  
Don't you cry

'Cause you'll be in my heart  
Yes, you'll be in my heart  
From this day on  
Now and forever more  
You'll be in my heart  
No matter what they say  
You'll be here  
in my heart always  
Always

### DREAMGIRLS SOUNDTRACK LYRICS

#### Hard To Say Goodbye

We didn't make forever.  
We each got to go our separate way,  
And now we're standing here, helpless,  
Looking for something to say.  
We've been together a long time.  
We never thought it would end.  
We were always so close to each other;  
You were always my friend.

And it's hard to say good-bye, my love.  
Hard to see you cry, my love.  
Hard to open up that door.  
You're not sure what you're going for.

I didn't want this to happen,  
But we shouldn't feel sad.  
We had a good life together.  
Just remember, remember, all the times we had.  
It's not that I don't love you deeply  
You were my family  
It's just that I'm feeling there's so much more  
Waiting out there for you and me.

And it's hard to say good-bye, my love.  
Hard to see you cry, my love.  
Hard to open up that door.  
You're not sure what you're going for.

You'll know I'll always love you.  
You'll know I'll always care.  
And no matter how far I may go,  
In my thoughts,  
You'll always be there.

(It's so hard) hard to say good-bye, my love.  
(Baby, it's hard) hard to see you cry, my love.  
(It's hard) hard to open up that door,  
When you're not sure what you're going for.

(It's so hard.)  
Good-bye my love.  
(Baby, it's so hard.)  
We didn't make forever.  
It's so hard.  
I can feel there's something more.  
(When you're not sure what you're going for.)  
We've got to work it,  
We've got to try,  
Though it's hard, so hard  
We have to say good-bye  
Though it's hard, so hard  
We have to say  
We didn't make forever.  
How could we lose tomorrow?  
We didn't make forever.  
How could we lose tomorrow?

### **Where You Lead Lyrics**

Artist(Band): **Carole King**

Loving you the way I do  
i only wanna be with you  
And I would go to the ends of the earth  
oh, darling, to me that's what you're worth

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

If you're out on the road  
Feeling lonely, and so cold  
All you have to do is call my name  
And I'll be there on the next train

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

I always wanted a real home with flowers on the  
window sill  
But if you want to live in New York City, honey,  
you know I will (yes i will, yes i will)

I never thought I could get satisfaction from just  
one man  
But if anyone can keep me happy, you're the  
one who can

And where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead (repeat)

I'm gonna follow were you lead (I'm gonna follow  
were you lead) I'm gonna follow were you lead  
(I'm gonna follow were you lead ) I'm gonna  
follow were you lead (I'm gonna follow were you  
lead )

### Vitamin C – Friends Forever

And so we talked all night about the rest of our  
lives  
Where we're gonna be when we turn 25  
I keep thinking times will never change  
Keep on thinking things will always be the same  
But when we leave this year we won't be coming  
back  
No more hanging out cause we're on a different  
track

And if you got something that you need to say  
You better say it right now cause you don't have  
another day  
Cause we're moving on and we can't slow down  
These memories are playing like a film without  
sound  
And I keep thinking of the night in June  
I Didn't know much of love, but it came too soon  
And There was me and you, and then it got real  
blue  
Stay at home talkin' on the telephone and  
We would get so excited, we'd get so scared  
Laughing at our selves thinking life's not fair  
And this is how it feels

Chorus:

As we go on, we remember  
All the times we had together  
And as our lives change, from whatever  
We will still be, friends forever

So if we get the big jobs and we make the big  
money  
When we look back now, will that joke still be  
funny?  
Will we still remember everything we learned in  
school?  
Still be trying to break every single rule  
Will little brainy Bobby be the stockbroker man?  
Can Heather find a job that won't interfere with  
her tan?  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly  
And this is how it feels

\*Repeat chorus\*

La, la, la, la; yeah, yeah, yeah  
La, la, la, la, we will still be friends forever

Will we think about tomorrow like we think about  
now?  
Can we survive it out there? Can we make it  
somehow?  
I guess I thought that this would never end  
And suddenly it's like we're women and men  
Will the past be a shadow that will follow us  
round?  
Will these memories fade when I leave this town  
I keep, I keep thinking that it's not goodbye  
Keep on thinking it's a time to fly

\*Repeat chorus 3x

## SONG LYRICS – POETRY PROGRAM ON RELATIONSHIPS

### Kristin Chenoweth - For Good Lyrics

(Elphaba):  
I'm limited  
Just look at me - I'm limited  
And just look at you  
You can do all I couldn't do, Glinda  
So now it's up to you  
For both of us - now it's up to you...

(Glinda):  
I've heard it said  
That people come into our lives for a reason  
Bringing something we must learn  
And we are led  
To those who help us most to grow  
If we let them  
And we help them in return  
Well, I don't know if I believe that's true  
But I know I'm who I am today  
Because I knew you...

Like a comet pulled from orbit  
As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood  
Who can say if I've been changed for the better?  
But because I knew you  
I have been changed for good

(Elphaba):  
It well may be  
That we will never meet again  
In this lifetime  
So let me say before we part  
So much of me  
Is made of what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend...

Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird  
In a distant wood  
for good...

Who can say if I've been changed for the better?  
But because I knew you

(Glinda):  
Because I knew you

(Both):  
I have been changed for good

(Elphaba):  
And just to clear the air  
I ask forgiveness  
For the things I've done you blame me for

(Glinda):  
But then, I guess we know  
There's blame to share

(Both):  
And none of it seems to matter anymore

(Glinda):  
Like a comet pulled from orbit  
As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood

(Elphaba):  
Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a bird in the wood

(Both):  
Who can say if I've been  
Changed for the better?  
I do believe I have been  
Changed for the better

(Glinda):  
And because I knew you...

(Elphaba):  
Because I knew you...

(Both):  
Because I knew you...  
I have been changed
