

**THEME: RELATIONSHIPS**  
CHUNK CUT with CUES AND PAGE TURNS)

(shoulders back, hands at side, medium pitch)

Come stop your crying

It will be all right

Just take my hand

Hold it tight

I will protect you

from all around you

PAGE TURN-----

(shoulders slumped, fidgeting hands, tapping foot, high pitch)

We each have to go our separate way,

We've been together a long time.

We were always so close to each other;

And you will always be my friend.

If you're out on the road

PAGE TURN-----

Feeling lonely, and so cold

All you have to do is call my name

And I'll be there on the next train

PAGE TURN-----

(shoulders back, hands at side, medium pitch)

You'll be in my heart

From this day on

Now and forever more

This bond between us

can't be broken

I will be here

Don't you cry

I didn't want this to happen,

PAGE TURN-----

But we shouldn't feel sad.

We had a good life together.

Just remember all the times we had.

PAGE TURN-----

(shoulders slumped, fidgeting hands, tapping foot, high pitch)

Where you lead, I will follow

Anywhere that you tell me to

And let me say before we part

So much of me

Is made of what I learned from you

You'll be with me

Like a handprint on my heart

PAGE TURN-----

And now whatever way our stories end

I know you have re-written mine

By being my friend

But will you remember me?

PAGE TURN-----

(shoulders back, hands at side, medium pitch)

I will remember you

Remember the times we had.

You'll know I'll always love you.

You'll know I'll always care.

And no matter how far I may go,

In my thoughts,

You'll always be there.

PAGE TURN-----

(shoulders slumped, fidgeting hands, tapping foot, high pitch)

We talked all night about the rest of our lives

Where we're gonna be when we turn 25

I keep thinking times will never change

Keep on thinking things will always be the same

PAGE TURN-----

But when we leave this year we won't be coming back

No more hanging out cause we're on a different track

PAGE TURN-----

Will we think about tomorrow like we think about now?

Can we survive it out there?

Can we make it somehow?

Will these memories fade when I leave this town?

Well, who can say if I've been changed for the better?

But because I knew you

PAGE TURN-----

I have

been changed

PAGE TURN-----

for good.
