Yastremski Public Speaking

SPEAKER EVALUATION

1. Comment on the speaker's overall delivery style. Give specific traits which enhanced or detracted from his /her overall presentation.

2. What techniques did he/she use to directly appeal to this particular audience? Did he/she successfully connect in establishing a "dialogue" with the audience? How?

3. Was the speech organized? Did his/her main points/issues flow into each other?

4. Did the speaker appear committed to his/her message? How was this communicated?

5. Was the speaker successful in communicating his/her message to this audience? How can we tell?
